Notice of Annual Meeting

The annual meeting of the Naples Model Yacht Club will be held on Saturday, March 28, 2020. The location will be determined by the wind forecast the day prior. Pond #1 is located at the North Collier Regional Park and Pond #2 is located behind Dick's Sporting Goods on Naples Boulevard. Members will be notified by email which pond will be used.

Our club Soling 1M championship will start at 10:00am and end promptly at noon. A 15 minute clean up is scheduled after the races complete. We anticipate the annual meeting will start at 12:30pm and be completed by 1:30pm. Fleet captains will present awards for each class. A lunch and social hour are scheduled next with the event ending at 2:30pm. Members can stay longer if they choose to do so.

One of the key functions of the annual meeting is to hear from the nominating

committee with their recommendation for club officers for the coming year. Dick Hedderick is serving as the nominating committee chairman, see his updated status report following this article. Club officers are elected by voice vote. Please see Dick if you have an interest in volunteering for an officer position.

Nominations for NMYC Board Positions update:

We still have an open position and I need suggestions. Send me suggestions. Self nominations are typical and newer members are encouraged to volunteer.

Current nominations:
Commodore: David Boulanger
Vice Commodore: John Jerse
Secretary: Open
Treasurer: Ron Stryker

David, Ron and John are very

committed to the club and will serve us well. The remaining open position is quite frankly the easiest and least time consuming position. But someone in this position will learn much about the club and get more back than they put in. So, if you have an interest in our club and the direction it moves, the secretary position would be perfect for YOU.
