

2019 SeaWind National Championship Regatta – Nov. 9 & 10, 2019

The Naples Model Yacht Club, Naples Florida, was pleased to host the 2019 SeaWind National Championship. This year's event drew 11 skippers from 6 states.

Day one we had a light rain in the morning with temperatures in the 80's, the wind was 12 to 15 out of the NE with occasional gusts to 18. We managed to complete 18 windward Leeward races with offsets at both ends, each race lasting 12 to 15 minutes. Chuck Weaver and Skip Steagall had some close racing with Chuck coming out on top after day one.

Day two there was no rain but temperatures were still in the 80's and wind was 10 to 14 out of the NE. We managed to complete 12 races on the same course that we used on day one. Mike Eades joined the battle with Chuck and Skip with Skip coming out on top as our 2019 SeaWind National Champion.

Special thanks to all the Naples Model Yacht Club volunteers that helped to make this a fine regatta.

Final Scores:

Place	Skipper	Sail #	Points
