Bill Saunders  
NAPLES MODEL YACHT CLUB

Dear Bill:

In response to your request for the NAPLES MODEL YACHT CLUB to be sanctioned by the AMYA, I have obtained approval from Eugene Salika, President, to officially authorize A.M.Y.A. sanction. Effective immediately, the NAPLES MODEL YACHT CLUB is assigned AMYA Club Sanction Number 108.

On behalf of the American Model Yachting Association, I wish to congratulate the NAPLES MODEL YACHT CLUB and its charter members:

Bill Saunders # 3706

Jeff Ryan # 4234

Harold Curtis # 1003

You will be listed as the club representative on the AMYA Sanctioned Club Listing as published in the Quarterly Newsletter and which is sent to all new members.

The AMYA recognizes the effort of the charter members in establishing such a sailing club and wishes to direct your attention to Articles 10 and 11 of the AMYA Constitution and Regulations which set forth the uses of the AMYA Quarterly Newsletter to promulgate your clubs news and activities. Lastly the recommendation for sponsoring regattas and ACCRS to maintain active club status and help create local interest.

If I can be of any further service please contact me.

Best Regards,

*Barbara*
